## EXPERIENCE

### **AT&T, Lehi, UT— Sales Consultant**

Nov 2016 - Feb 2017

Worked with a group of talented, sales driven, and customer service oriented coworkers to help build AT&T's brand image. Daily Tasks included helping current customers, providing sales consultation to new customers, and maintaining inventory.

### **Sprint, South Jordan, UT— Sales Rep**

Sep 2017 - Feb 2018

Daily Tasks included assisting current customers with any issues while maintaining a positive company image, working with new customers to ensure that all their needs were met and assuring a positive experience for every customer who walked through our doors.

### **Clearsource, Sandy, UT— Customer Service**

Sep 2018 - Jun 2019

Represented a wide variety of companies including Zagg, My Hearing Centers and Trager Grills by providing unmatched customer service and a welcoming environment. Data processing, customer service, and accurate scheduling were necessary skills while working here.

### **Asurion, Salt Lake City, UT— Tech Expert**

June 2018 - Present

Daily tasks include same day delivery, set up, and troubleshooting for the customers new phone. Currently working part time in the evening.
